

Angela Rowley
Brant Region Secretary

Attending her first Hamilton Diocesan CWL Convention this past year has made her realize that this is where she needs to be. Angela is the Brant Regional Secretary for the next two years, and is also the secretary for her parish council, St. Mary's, Brantford.

Angela has been inspired by two members of the Diocesan council, who are also members of her parish council: Anna Brady and Kristine Paul. Both have encouraged her at the church level and the diocesan level of CWL. The journey so far has been fulfilling.

Angela feels she has grown both as a woman and spiritually since joining. She looks forward to growing further with Corinne Carrita, the Brant Regional Chair, and with all of her CWL sisters' help. She feels that's what we are here for.
